THE MERCHANTS TELEGRAM

Vol. IV — APRIL 21, 1920 — No. 51

W. J. Folk Coal Company 69th and Irving Ave. Enlarge Coal Yard

This enterprising firm has just recently taken on considerable more ground on the south end of the yard and lying directly alongside the railroad, allowing them room for a double track as well as much more valuable space to store their coal, shed rooms, etc., making this one of the most up-to-date yards in this vicinity.

Chicago Band in 1st School Concert

The Chicago Band, William Weil conductor, will begin its spring series of school concerts at the Lindblom high school, 62nd and Lincoln Sts. Sunday afternoon at 2:30 o'clock. Every one living in that district is invited. No admission is charged. The band will start a campaign on April 26th for financial support to enable it to continue to give free concerts in settlement districts and at playgrounds and public school buildings.

Mr. Geo. Sloan, manager of the White Dry Goods Co., 63rd St. and Hermitage Ave., was overcome with the dense smoke in the basement of their store last Friday while carrying water from the rear of the basement to the first floor of the store, trying to extinguish the blaze before the arrival of the fire department.

Hon. Frank Loesch

The Drexel Park Men's class regret that Mr. Frank Loesch missed the location of the church last Sunday. But you come next Sunday, Mr. Loesch will be piloted safely to 64th St. and Marshfield Ave. and will talk at 12:15. We had 67 men last Sunday; let's have 100 next Sunday.

"Choosing Life's Partner"

This is the subject for the third sermon in the series, "Marriage and Society." Rev. Cox is speaking to very large crowds upon these vital subjects and you are missing helpful things if you do not attend. The increased attendance has made it necessary to rent the Ogden Park Hall 6319 Ashland Ave. There is plenty of room here, so bring your friends next Sunday night at 7:45. Good music.

The Chicago Boys' Club

We are informed from a reliable source that these clubs were originally organized for the boys in the lower quarters of the city, or what is sometimes called the slums; for such boys who could not be reached by the churches and had no place to meet under good influences. The work these clubs are doing is therefore very reasonable. We are indeed glad that these clubs exist and can do some good for the unfortunate boys of the city. No one has the cause of the boys closer to heart than we, since the danger of bad company for the boys is very great in a large city like Chicago. And a well directed boys club must therefore be of great benefit to them.

For the size of the city there are only a small number of these clubs. They are just now erecting a new building in our neighborhood for one of these clubs. Should we congratulate ourselves on that fortune? Those well-meaning men back of the project no doubt consider our neighborhood to be in very bad need of one of these clubs. Perhaps we are. But on the other hand, perhaps some other part of our city would need it and are less fortunate than are the boys out here. Some consider the presence of such a club house a slur on our neighborhood and the type of boys therein. We are not ready to pass on that. And others consider it a criticism on the churches and their work. We do not think there is a church in our neighborhood that needs a supplementary Bible school. The boys of our church can congratulate themselves on having good homes; and evenings they wish to spend outside the home, we have plenty of opportunities for them in our church activities. And on the other hand, our church can congratulate itself on having a fine class of people and good boys.

And yet, we sympathize with our neighboring churches, the Thoburn M. E., and also the immediate neighbors to the new club house. For it stands to reason that where boys congregate in a large number, there will always be a noise. Boys are boys. Why could not this club house be located on 63rd St., if it is needed so badly out here, and not in the residential section? True, there is more traffic on a business street, but the business of the club should at any rate be to keep the boys off the street

Perplexing

It had the crowd guessing yesterday at the Business Men's luncheon just as to who was who. When they were speaking, whether it was Chief Garrity or Joe Flaherty, as they sure are a good "double" to each other. The editor finally solved the problem. Joe had just five more hairs carefully combed across the fore part of his head than the chief did, the chief being entirely bald.

"The Virginian"

A Great Sensational Hit

The play which has been selected for presentation at the National Theater for the week starting Sunday matinee, April 25, is a dramatization of the most popular story of western life ever written. It is a stage version of Owen Wister's great novel, "The Virginian." The play is built around a fascinating romance between a young Virginian who becomes a western cowboy and a school teacher who has gone to Wyoming to spend the summer. One of the most pathetic episodes in the story is the scene when the Virginian is sent out at the head of a vigilance committee to round up a band of cattle rustlers, and discovers that one of his captives is his best friend. His sense of duty compels him to go ahead with the lynching, but the farewell scene between the man who is about to defend his executioner is one of the most stirring incidents the modern stage has known. Another tense dramatic moment in the stage story comes when the Virginian is forced to fight a duel with Trampas, the villain of the story. The meeting between the two men in a street of a little western town leads to the quickest and most realistic "gun play" ever shown on the stage.

Large Overflow Meeting Welcomes Chief Garrity

of Chicago's Police Force

The sixth meeting of the Business Men's District Association, held yesterday at 12 o'clock noon, proved to be the banner meeting as yet. Standing room was at a premium, every chair was filled by both a large representation of ladies and gentlemen. Beautiful flowers were in evidence throughout the hall. Several excellent solos were sung by Mrs. Catherine Bly Utesch. The president, Mr. Frank McGarr, asked Mr. Joseph Flaherty for a few remarks, to which he responded nobly. Mr. McGarr then introduced Mr. Bain, a brother to our fellow townsman, Mr. John Bain, who spoke of the welcome he had received from us Americans. The tone of his voice carries a "slight accent" of the "Scottish race." The Chief was then introduced and made a very favorable impression on the audience, entitled, "The Crime Wave in Chicago," showing many valuable points to the average citizen of just what the Police Department is up against and what it has to contend with, with its only 2,300 available patrolmen at the present time; while it actually needs 6,500 policemen to give us the amount of proper protection of which we justly need, and of the inability of securing the convictions of over three thousand actually known criminals now walking the streets of Chicago, who are now out on bonds and otherwise, by continuing the cases from time to time, through the influence of various lawyers and the courts. The Chief was given a rising vote of thanks for his attendance and welcomed to the Association. Mr. Edw. Barry was then called on for a few remarks that were very, very beneficial to the Association and its causes. Billy McGovern then asked Harry Crawford to have his partner, Mr. Bailey Koerner (both of Golden Rule fame) to put on some musical numbers at the piano (Mr. Koerner being an old-timer at the business). After he had sang about "FATIMA," the fat girl with the SIDE SHOW at THE COUNTY FAIR, the crowd quietly passed out from under the circus tent to the tune of the quivering music of the Drums and Tom Toms, all agreeing it was a good show and had their money's worth.

MY PAPER

By Rev. C. C. Cox

"Yes, my paper." This is mine, I have it in my hands, but it is not mine because I found it on my porch or because I paid someone to put it there. Why is it mine then? Because I have put something into it. Well on that ground I am not so sure this is your paper. What have you put into it? How many items have you written for this paper? How many lines of advertising have you put into it? You may say this paper is put out by an editor. Not at all, he edits, he puts out what you put in. No more and no less. You may say there's nothing in the paper. Well who is to blame? You put in nothing and out comes nothing. You are criticizing your own life and neighborhood when you say such, because when there's nothing in the paper then you in so many words say there is nothing in my neighborhood and above all there is nothing of interest in my business or life.

A neighborhood that cannot put up a good live newspaper ought to have tombstones set up at its boundaries with the following inscription: "In memory of unprogressive neighborhood which died in the month of prosperity from a complication of prejudice competition, selfishness and unneighborliness. Erected in deep regret by merchants who lost trade and people who lost neighbors and friendship."

Yes, this is my paper. It's as a mirror. I see in it that which I have brought there to see. You may not especially like those whose names are always in print. You may hate popularity. But let your name get in print. Better one of those mountain peaks to stand out in granduer and prominence than a low marsh full of malaria poison. "My Paper," there will be something in it when I put something in it.

White Dry Goods Company 63rd & Hermitage Ave. Suffers Great Loss by Fire

Last Friday morning at 9:30 fire suddenly broke out in the rear of the store of the White Dry Goods Co. and almost instantly was entirely enveloped in flames. The large stock of dry goods was quickly consumed by the flames which spread very rapidly and which was fanned by a strong wind blowing through the store, owing to the glass being broken out in the rear and sides. Tons of water were thrown on the fire by the fire companies present, they making it possible to save the two families in the flats above the store and C Christensen's tailor shop, adjoining on the east. The building would have been entirely consumed had it not been for the good work done by the fire department present. After an hour and a half of hard fighting the blaze was put entirely under control and after the insurance companies get through with a settlement of what was saved it will be to your advantage to keep strict watch through the columns of the Merchants Telegram for an early announcement from the White Dry Goods Co.

De Koker & Sons Coal Co. 5842 South Robey Street Make Improvements In Yard

Taking advantage of the dullness during the railroad strike, the De-Koker Coal Co. are entirely re-arranging their coal yards, building new and elaborate sheds to store their coal, building solid driveways and putting a heavy bed of cinders over the entire yard, thus eliminating the bad mud holes and water pools as is usually found around coal yards, and last, but not least, installing a brand new power loader, operated by gasoline engine, which will unload a car of coal or load a large truck in just a few minutes time, saving hours of

CHOICE MEATS

Here's the liveliest meat market in West Englewood, 1750 W. 63rd St. Five butchers, no waiting. Look for the electric sign.

Our Englewood branch, known as the New Union Market, operated for many years under the Union Stock Yards Packing and Provision Co., gives a way to the public of buying retail at wholesale prices.

The same meat cutters and managers who operated headquarters (Halsted-Downtown) are now on 63rd St. The manager, a young man who entered the field several years ago, became very successful in the meat game and after working several years with Armour & Co., wholesale, came to us and has been retail manager ever since.

Just why the New Union Market (Englewood branch) is so popular is based on several points. A few in brief are: Point No. 1, choice meats; point No. 2, approximately 30% less in dollars; point No. 3, always fresh meats, we see to it; point No. 4, courteous and prompt service; point No. 5, machine delivery all over South Side.

You can depend on us to sell cheaper than anyone else. Our large buying capacity enables this. It stands to reason a corporation buying meats in ton lots buys cheaper than a one horse market depending on the peddlers to supply them. Therefore, meat strikes, teamsters strikes and other drawbacks do not effect our retail markets.

We do not solely depend on Chicago for meat. A good percentage of our meats are shipped in from Austin, St. Paul, Minn., East St. Louis, etc. Give us a trial.

Notice—Our corned beef which has a special sugar cure is known in Englewood as the best and has made many permanent customers. If you want to know how good corned beef can taste try ours, it's prime.

Our ad can be found every week in the Merchants Telegram. A saving to every household, which means much in these strenuous times. Also you will find on Friday special sheet one or two items which will be sold **only** on Friday. Watch your step.

Introducing

Our Correspondent of

Northwest Englewood News

Mr. Peter Kramer

5620 Honore Street

Who is claimed by many friends to be the champion garden maker as well as editor of your local news in your home section.

Northwest Englewood News

In our last week's column we promised him who could qualify to succeed our noted character "Austasia," recently removed, Publicity, Prominence and Fame. To prove that we can "deliver the goods" we submit that one of our other characters who frequently "makes" our column was on last election day nominated for president of the United States, by one vote, in the 45th precinct of the 29th ward, city of Chicago, County of Cook, and in the state of Illinois. Richelieu Horace Brown is now a candidate on the Democratic ticket for president of the United States. Dick said he could settle the Irish question, the I. C. L., the labor question and all foreign entanglements in a few minutes, including the League of Nations. We predict that Dick will carry the 45th precinct and Honore Manor by an overwhelming majority.

Mrs. Hines of Honore Manor is entertaining company from Belvidere, Ill.

James Hines is on the sick list, suffering from an infection of the nose.

Mrs. Roche is in the hospital recovering from an operation recently performed upon her. We hope for her speedy and complete recovery. Tommy Roche, too, has been ailing with appendicitis.

Oh! Michael O'Connell, where are thy White Wings?

The West Englewood Co-operative Society now have two committees working: one to rent a store and the other to purchase fixtures. That looks like business, doesn't it? This requires money. Have you paid for your shares? If not, the committee will appreciate your doing so at once.

Beauty Revue at the Englewood

Burlesque patrons of the Englewood Theater have a rare treat in store for them commencing Sunday, April 25; the "Beauty Revue" will be the attraction for one week.

Here is one of the big shows of the season which has earned a deserved reputation of pleasing hundreds of thousands throughout the country, for wherever it has showed there has been a demand for its return.

Sam Levey, the Detroit producer, who has earned an enviable reputation for putting out the best shows on the road, is the father of this production and after viewing it stated that he is willing to stake his reputation on its success. His reputation is not in danger for in every city where the "Beauty Revue" has shown it has met with phenomenal success and that it will duplicate this feat in Englewood is assured.

With "Beau Brummel" Jimmy Cooper, the man who never wears the same suit twice, heading the company, and statuesque Ada Lum, the half caste Chinese beauty, playing opposite him in the leading feminine role, the crowds are sure to throng to the Englewood Theater.

Then, too, there is that pretty little blonde soubrette, Princess Livingston and shapely, and also pretty Rose Hemley in the leading roles, while the comedy is furnished in heart breaking quantities by Marty Collins, Eddie Hall and the nuttiest of nuts, Morris Telan, Johnny Bell and Billy Cumby.

While this should be sufficient to amuse almost any burlesque audience there is still the chorus to be considered and it is a bunch of youthful and handsome darlings.

The Wonder of Advertising

Elmer Jordan, Editor

Just a few years ago, say six or seven, it was remarkable for a merchant of West Englewood to spend any great amount of money for advertising in the local newspapers. At that time each merchant put out his own bills. It is really remarkable to think that one man could in such a short space of time educate our merchants to such a degree as our worthy editor in chief, J. C. Sharp. He has the patience of a Job. To think that he could stand with us and reason with us and persuade us until we gathered courage to spend a few dollars, and to bear with us in our hard times, it is no wonder that we all love him. To us J. C. is just about the best friend we have. He has made the corner of 63rd St. and Ashland Ave. stand forth like a Gibraltar. Look at other corners and compare them with our busy burg. Watch the crowds. Did you ever see the like? You no doubt are astonished to see that our neighborhood is able to sustain week in and week out a paper of the high character that the Telegram is. It is because the people and the merchants and J. C. are all united and stand together as a man with and for it. It is destined to become the leading paper of its kind in Chicago.

Bazook Locals

Rev. C. C. Cox of the Drexel Presbyterian church, has been unanimously elected to our order.

Bosworth Brothers have joined our advertising ranks. They move the furniture.

S. A. Bergman Paint Store has applied for honors in our order.

A new Bazook, Alex Haranborg, 6110 S. Ashland Ave.

McKees' Electric Shop have applied for membership in our illustrious order; likewise Dr. F. G. Moore, the optometrist, and Peter Baum, the advertising expert of Elmer Jordan & Company.

Get ready for initiation April 30, 1920.

Jack Walsh, Marquette Manor citizen and leading undertaker has just spent a fortune fitting the finest parlors, chapel and offices at 2438 W. 63rd St. Really you should drop in and see the accommodations. They are excellent.

B. & L. Smart Shop Waists are moving from 1654 W. 63rd St. to 6244 S. Ashland Ave. We wish them luck in their new location.

We notice a new merchant, Mr. W. H. Buchner, has opened a haberdashery at 1605 W. 64th St. He has also applied for membership. Trial to come off soon.

Visit J. E. Sherry's new store for men at 1552 W. 63rd St.

Did you notice Chas. Thomsen of 6315 S. Ashland Ave. has joined our advertising regulars? Keep your eye on Charlie's bargains. Visit him on the way to lodge.

Don't forget the Lincoln Window Shade Factory. They are steady and reliable people. They are furnishing the shades for Elmer Jordan & Company.

Our old friend, Thos. Giffney, of the Neighborhood Shop, is selling the very best washing machines made. Visit him. Sample his vacuum cleaners, too.

What's the matter with McManamon, the big furniture man? We expected before this to see a full page ad. He has the goods, but he must tell the world. By the way, he has purchased the southeast corner of 63rd and Paulina Sts. from the Schlitz Brewery and some day you will see Patrick McManamon all the way around, clear back to the alley in letters six feet high. Hurry!

J. C. Sharp would like to see some enterprising property owner erect a suitable building for his paper. One that would accommodate an up-to-date printery.

By the way, Straus, the furniture merchant, has some mighty fine Quaker home craft lace fabrics. Really you should drop in and examine them. He will show you.

Now all together, boost West Englewood; and don't forget Marquette Manor.

Stop Paying Rent

is our advice. Rents will remain high as long as there is a scarcity of flats. At the present rate of building construction it will take the city of Chicago eight years to catch up with its building program. And in the meantime you will be subject to rent increases, thirty day notices to vacate for the new owner, etc. Eliminate all this trouble and worry by owning your own home. Owning a home is a PAYING proposition, as has been proven by the countless thousands who have bought in this city, and who have prospered by doing so.

Only the Cylinder Washer

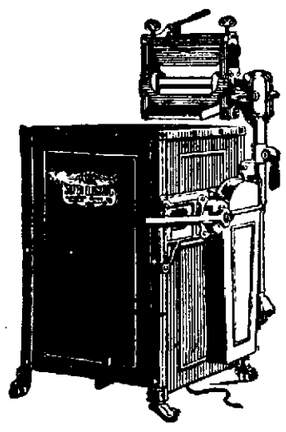
IS 100% EFFICIENT

There are many types of electric washing machines being offered to the public. ..All of them will undoubtedly wash clothes, or they would soon cease to exist. ..The leading laundry engineers, however, universally recommend the revolving-cylinder type as the most thoroughly efficient principle.

The A B C Super Electric

Cabinet Washing Machine

is the most modern, complete example of the perfected cylinder-type construction. Its white maple cylinder forces the water through the clothes 44 times per minute—removes every vestige of dirt. In an almost incredibly short time your clothes come out spotlessly clean—ready to be wrung, to rinse and blue waters, and hung out to dry.



All washing machines used in public laundries the world over are of the cylinder type. Washing clothes is the laundry's sole business. If another type of washing machine were equally efficient, wouldn't it be used in some laundries, at least?

F. NISSEN'S New Feed And Flour Headquarters

6135 South Ashland Avenue **Phone Prospect 4187**

About seven years ago Mr. F. Nissen engaged in the feed and flour business, locating at 6139 S. Ashland Ave. His keen sense in judging values and knowing that his success depended on his giving the people the best the market afforded at a reasonable cost, has enabled him to build up the largest retail feed trade in his district. Selecting the "Globe Poultry Feeds" from among the many competitive brands, because it was his honest conviction that they could not be improved upon and that they are the standard since balanced rations have been marketed, in these few years forced him to look for larger quarters to keep up with the ever growing demand for his services. Mr. Nissen's ideal has ever been to give the customer complete satisfaction, his large trade proves that even in these trying times he has done his utmost to take care of the interests of his customers.

Buying Globe Poultry Feeds in car lots, repeatedly allowed him to sell for an extended time at a price which was below the market, which is especially commendable in these days of "High Cost of Living." Believing in volume business and small profits, a business man of Mr. Nissen's type is a distinct asset to any community and his customers help themselves when they help him by patronizing his store. As heretofore he will give all orders his personal attention and solicits your continued good will, guaranteeing full value and measure.

House Heating in Spring Time

SPRING is a vexatious time for house-heating. One day it is hot and the fire is allowed to go out, the next day it is freezing and you have to clean out the dead ashes and start a new fire. Then the weather turns warm again and the house gets over-heated.

The only way to adjust this "see-saw" of Spring temperature and save all the discomfort, annoyance and expense is by having gas ROOM HEATERS. New designs, scientific and satisfactory.

THE THERMOPHORE ROOM HEATER—An ideal heater for General purposes.
HOT SPOT—An approved gas company room heater. Sizes and prices to meet requirements.
ECLIPSE—Handy little portable heaters.
RADIANTFIRE—A very handsome, hygienic grate equipment. Designs to harmonize with all styles of interior decorations.
GAS STEAM RADIATORS—Steam Heat without coal. Every Radiator an individual heating plant. No janitor needed.

There are many other interesting modern designs in "ROOM HEATERS." Look them over at our "Exhibition Hall & Customers Rest Room," Peoples Gas Building, or any of our

Marquette Manor's Business Center

63rd St. from Western to Rockwell. Destined to "IT"

Elmer Jordan, Editor

Every community sooner or later develops a real business center and it is safely predicted that the location above cited will prove to be one of exceptional growth. A furniture house is figuring on locating in the location cited. We need at present another drug store, a paint store, a large theatre, a bowling alley, a haberdasher, a hospital, a college, a Y. M. C. A., a K. of C. building, a furniture store, an Eichler store, a talking machine shop, an up-to-date hat store, a Singer sewing machine agency, a large Masonic hall, a half dozen more real estate firms, an art shop, several dentists, doctors and lawyers, not mentioning osteopaths, optometrists, etc

Just think, how many vacant lots will remain when all of the above have located in the above center, and yet it is not only possible, but extremely probable. Moral. Merchants locate your future now.

Manor Bazook Telegram

It is reported that Kilbolt will erect a mansion for himself at southeast corner 66th St. and Maplewood Ave. also a 700-seat theatre at the southwest corner of 63rd St. and Maplewood Ave.

Ask John Klinck to show you the pictures recently taken of the Manor.

Jordan & Co. have moved to 2419 W. 63rd St. Visit them in their new quarters. It is rumored that a large theatre will arise on the southeast corner of 63rd St. and Western Ave. by the Gaynors. How true it is we do not know.

Mr. Weischedel, take a tip and build on your Western Ave. lot.

Mr. Knoche, the progressive druggist, build on your 63rd St. lot. Opinions. Do not wait. A fortune awaits you if you build now.

Have you visited St. Rita's movies? If not, try them soon.

Father Ford is feeling fine, thank you. His care is better than ever.

Frank Trauscht the original jeweler has a nice display of late trinkets.

Merle P. Lyon sold $51,000 of real estate in March, 1920. Wm. T. Fleming sold over $50,000 the same month and Peter Baum over $40,000. These were the three leaders of Jordan & Co., who altogether sold $250,000 in March.

Albert C. Dettmann has sold his 2 flat at 1516 W. 67th St.

Howard Walters has moved east of Kedzie Ave. on 63rd St.

Bazook Training Shop

Are you a K. P.? Governor Deneen will attend Englewood Lodge April 23, 1920, at 6319 S. Ashland Ave. Attend our regular doings every Friday.

Herbert Nelson has purchased a home in West Englewood on Wood St. near 64th St.

Mr. and Mrs. Davidson are going to move to Marquette Manor. It is reported that Gust Wanzsik has purchased their 2-flat on Paulina St., near 64th St.

Attend the business meeting lunch every Tuesday noon at 6319 S. Ashland Ave.

Walter Dettmann is selling lots of real estate these days. We all wish him luck.

Elmer Jordan has a bargain lot on 63rd St., near Maplewood, worth $4,000 for sale for a few days at $2,250. Terms, half cash.

Wm. L. Neudorfer is now eleven weeks old and quite a boy. A chip off of the old block. He will sell more real estate some day than his father, Max Neudorfer.

George Masek is busy these days. Ever so busy. No time to eat and sleep.

Emmet McCarthy is making a real success as an attorney. The Telegram wishes him well and hopes to see a card of his in the paper soon.

It is reported that there is a competition soon to take place between the dry goods merchants of West Englewood. The one who contracts for the most space in this paper is bound to win. It pays to tell the public about your wares.

Don't forget the Marquette Park State Bank wants all the business west of Robey St. If you live west of Robey just remember that we can give you genuine service and your business will be appreciated. Wm. C. Brietzke is not only an able bank president and a thorough going citizen, but is ever working for the good of our community. Patronize our home banks and when you are in need they will favor you. A savings account is a mighty good friend when in trouble.

Marquette Manor Circus and Carnival

Daniel O'Connell

Arrangements are being made for the staging of a most unique carnival early in June by the residents of Marquette Manor.

Amateur performers have begun to practice for this event and the committee promises a regular old-time affair—red lemonade, pop-corn, clowns, animals and other attractions.

ASK JORDAN & CO.

STOP PAYING RENT

YOU CAN if you really want to. Let us show you how. Very simple if you have a backbone. Do you want to know? If you do step into our office and let us explain the plan.

If you don't think buying a house is a good investment, talk with some old timer who has paid rent for thirty years. When we went to school 30 times twelve months was 360, and 360 times the rent money is a couple of houses that you've paid for and don't own.
